5. **NON-EXCLUSIVE STATUS**

OPDS may contract for the same or similar professional services through persons other than Contractor. This provision applies to OPDS only and does not confer upon any Contractor permission to substitute performance in any way without the express written consent of OPDS.

 4. conducting such interviews and investigation as are appropriate;

- C. Replacement Representation. In the event Contractor is unable to complete an assignment and is allowed to withdraw, Contractor immediately shall report the circumstances to OPDS so that OPDS may appoint replacement counsel. OPDS may require Contractor to account for the time Contractor has actually expended and to return all or part of the payment for the representation where appropriate.
- D. Continuing Representation. Contractor has a continuing duty to represent the Client until the court has terminated the representation. Termination of the contract by either party does not terminate the Contractor's duty to provide services in those cases assigned prior to the effective date of termination.
- E. Removal for Failure of Performance. In the event a Court removes Contractor from representation due to any failure of performance relating to the representation, Contractor shall reimburse the County for any payment made to Contractor relating to the representation and provide a written explanation of the failure of performance.

Contractor will periodically report on a timely basis data and statistics to the Contract Administrator in the manner prescribed by OPDS. Failure to submit case logs, final disposition records and time sheets in the time and manner specified by OPDS will result in withholding compensation until the contractor is in compliance. Contractor shall make available for inspection and copying by the County all records and accounts relating to the work performed or the services provided under the Contract except any document that is privileged as an attorney-client communication. Contractor shall safeguard confidential and privileged information in accordance with all applicable laws, rules, and regulations.
- I. Cooperation. Contractor shall assist the County in monitoring Contractor's performance of the Contract. Contractor shall cooperate with other OPDS Contractors and staff and

Contractor shall not commit or permit any act that will interfere with the performance of work by the Contract Administrator, any other Contract Attorney or their staffs. Contractor shall notify OPDS if any non-contract counsel enters an appearance on behalf of a criminal defendant on a Knapp v. Hardy or other basis.

J. Substitute Performance. This is a personal services contract between Contractor and the County. Contractor may, on occasion, allow substitute counsel to appear in court on behalf of the contractor. The substitute counsel must be an attorney who holds a contract with OPDS similar to the contractor's contract. If the substitute counsel represents another party in the case, the contractor shall not be paid for the appearance. Any other substitute counsel must be approved in advance by the Contract Administrator. Notwithstanding the foregoing, the Contractor shall remain primarily responsible for the performance of the contract.

K. Requests for Expenditures. Contractor shall submit for approval by the Contract Administrator all requests for payment of expert witness fees, travel expenses, publication of legal notices, investigators, mitigation specialists (in capital cases only), service of process, court transcript fees and other reasonable and necessary expenditures. Failure to obtain prior approval may result in non-payment for the expenditure and the debt shall become the personal responsibility of the Contractor. A copy of the approval must be given to the approved vendor for its billing purposes prior to the commencement of their work. If an approved vendor exceeds the OPDS approved amount for the expenditure, OPDS is not obligated to pay any such overage and it becomes the personal responsibility of the Contractor. When billing for reimbursement, receipts for all expenses must be included. All expenses must be approved by OPDS prior to being incurred. Bills for expenses incurred prior to approval by OPDS may not be honored or ratified.

OPDS will not reimburse Contractor for office supplies, secretarial or other staff services, transcripts of witness interviews or any other type of expense that involves the general cost of doing business including, but not limited to, long- distance telephone calls, unless approved in advance by the Contract Administrator as an extraordinary expense. **OPDS will not provide mileage reimbursement for travel within Maricopa County.**

L. Investigators. Contractor shall submit for approval by the Contract Administrator any request for appointment of an investigator. Contractor will be responsible for reviewing and certifying the investigator's billings prior to payment by OPDS. **Failure to obtain prior approval for the work of an investigator will result in non-payment and the debt shall become the personal responsibility of the Contractor.**

Conducting witness interviews arranged by the prosecution is not the responsibility of the investigator. Conducting these interviews is the responsibility of the assigned lawyer unless the lawyer cannot be present due to illness or other unforeseen emergency. ~~Then, and only then, will investigators be permitted to bill for the time spent conducting this type of interview.~~

M. Capital Mitigation Specialists. In capital cases only, Contractors may submit for preliminary approval by the Contract Administrator a request for appointment of a specific mitigation specialist. If the nominated mitigation specialist **capital** appears to be available to perform the requested work in a timely basis, OPDS will assign the mitigation specialist to the case. Contractor will be responsible for reviewing and certifying the ~~investigator's~~ **mitigation specialist's** billings prior to payment by OPDS. See also see Section II, Part 6, subsection R.
- P. Compliance with Law. Contractor will comply with all laws, including rules and regulations of all governmental accrediting and regulatory authorities, including the State of Arizona, relating to the licensure and regulation of attorneys. In the event the Contractor is suspended by the Arizona State Bar, on an interim or other basis, Contractor must immediately notify OPDS of this suspension so that appointment of cases may be stopped. Failure to comply with such notice will result in termination of Contractor’s contract(s).
- Q. Technological Equipment. Contractor must possess the following equipment to meet the needs of OPDS appointment protocol:
1. Desktop or laptop computer,
 2. Microsoft Office Suite Software and Adobe Reader; and other software as might be needed to allow contractor to conduct business electronically with OPDS,

Failure to give OPDS notice of a motion for additional compensation or expenditure on a timely basis will result in either suspension or termination of the contract.
- S. Monthly Case Logs. All case logs must be returned via e-mail to OPDS by the date designated by OPDS. This includes all changes to case dispositions and hours-to-date. Failure to submit case logs by the designated date may result in the withholding of Contractor’s monthly contract payment or other payments made by the department on a case-by-case basis until such documentation is provided.
- T. Reporting and Billing periods. Any claim for services must be submitted within 6 months of the service.
- U. Attorney Complaints. Complaints made about a Contractor may be forwarded to Contractor with a request for a response to the complaint. The Contractor must respond to the complaint in writing within 10 days.

12. **STRICT COMPLIANCE**

Acceptance by OPDS of a performance that is not in strict compliance with the terms of the Contract shall not be deemed to be a waiver of any term or an acceptance of anything less than strict compliance with all other terms.

13. **LAWS, RULES AND REGULATIONS**

Performance under the Contract shall be accomplished in conformity with all applicable laws, ordinances, rules, regulations, and zoning restrictions.

14. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

~~Contractor in the performance of the Contract will not discriminate against any person based on race, religion, sex, national origin, or disability.~~

Contractor agrees to comply with all provisions and requirements of Arizona Executive Order 2009-09 including flow down of all provisions and requirements to any subcontractors. Executive Order 2009-09 supersedes Executive order 99-4 and amends Executive order 75-5 and may be viewed and downloaded at the Arizona State Library Research website (<http://azmemory.azlibrary.gov/cdm/singleitem/collection/execorders/id/680/rec/1>) which is hereby incorporated into this contract as if set forth in full herein. During the performance of this Contract, Contractor shall not discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability or national origin.

~~RETENTION AND ADEQUACY OF RECORDS~~

~~Contractor agrees to retain all books, records, and other documents relevant to the Contract for six (6) years after final payment or until after the resolution of any audit questions, whichever is longer. County auditors and any other persons duly authorized by the County shall have full access to, and the right to examine, copy and make use of all such materials.~~

~~OPDS will not pay for costs associated with the storage of any records or files created for, pertaining to, or arising from this contract.~~

15. ACCESS TO AND RETENTION OF RECORDS FOR THE PURPOSE OF AUDIT AND/OR OTHER REVIEW:

15.1 In accordance with section MCI 371 of the Maricopa County Procurement Code the Contractor agrees to retain (physical or digital copies of) all books, records, accounts, statements, reports, files, and other records and back-up documentation relevant to this Contract for six (6) years after final payment or until after the resolution of any audit questions which could be more than six (6) years, whichever is latest. The course of action to address the disallowance shall be at sole discretion of the County, and may include either an adjustment to future invoices, request for credit, request for a check or a deduction from current invoices submitted by the Contractor equal to the amount of the disallowance, or to require reimbursement forthwith of the disallowed amount by the Contractor by issuing a check payable to Maricopa County.

Contractor's obligations under this section, including the duty of continuing representation, shall survive the termination or expiration of the Contract.

B. Any dispute concerning the reasonableness or adequacy of the compensation under the Contract shall be resolved by reference to the value of the Contract as a whole and not by reference to a single case or to a portion of the cases that Contractor has performed under the Contract. The value of the Contract as a whole shall be determined by reference to the following factors:

The Parties will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, any corrective instruments as may be reasonably necessary to carry out the intent of the Contract.

- B. Merger. All prior and contemporaneous contracts, agreements, statements and understandings with respect to the subject matter of the Contract, if any, among the Parties, or their agents, are merged into the Contract, and the Contract shall constitute the entire agreement among the Parties.

- D. Third Party Beneficiaries; No Rights Conferred on Others. Any person who is entitled to indemnity 1.) by the terms of the Contract or 2.) by operation of law, is a third party beneficiary of the Contract to the extent only that such status is necessary to fulfill or enforce the indemnification.
- E. Severability; Blue Pencil. Each provision of the Contract shall be construed to preserve its validity and enforceability to the extent possible. If any provision of the Contract is declared void, invalid or unenforceable, the Party who would have enforced the provision may elect whether the provision shall be 1.) modified to the extent necessary to make it valid and enforceable or 2.) excluded from the Contract.

24. **MISCELLANEOUS**

- A. Process Server. All expenditures for service of process must be approved by OPDS prior to incurring any such expense. In the event that Contractor does not request and receive

OPDS's approval before incurring such an expense, Contractor shall be personally responsible for payment of the process server's service invoice. Contractor will use only a process server approved by OPDS.

- B. Court Reporters. Only appellate and post-conviction relief transcripts are paid directly by OPDS. Any other use of court reporters or transcriptionists must be approved in advance by way of a Request for Expenditure of Funds. It is the Contractor's responsibility to deliver the approval to the appropriate, approved vendor. If transcripts are requested during a trial (to impeach a witness, etc.), the court reporter should be informed that the request is for a transcript of the testimony only and that OPDS will pay \$2.50 per page for the original only and an additional \$0.30 per page for one copy.

If a motion for a new trial is granted, the County Attorney and all defense counsel should share the cost of the transcript of the original trial. RUSH (delivery within 5 days) and EXPEDITED (delivery within 10 days) transcription requests are strongly discouraged and likely to be rejected absent unforeseen exigent circumstances. OPDS requires that Contractor justify such requests with an explanation as to why additional expense was unavoidable. If the necessity for rush or expedited charges is the result of delay on Contractors part, Contractor will be required to pay any charges beyond the reporter's standard page rate.

- C. Audio and Video Tape Transcription. Transcriptions of tape recorded interviews must be approved in advance. The transcription will be done by a vendor approved by OPDS. It is the responsibility of each Contractor to make the request for approval and to deliver the tapes in time to take advantage of the Regular delivery rate of 20 calendar days. The Expedited delivery rate of 10 calendar days and the Rush delivery rate of 1 day will not be approved absent extraordinary circumstances.
- D. Travel. All travel for contractors, witnesses or expert witnesses must be pre-approved and scheduled or authorized through OPDS.
- E. Identification Badges. Identification badges are available to Contract Counsel at no charge.
- F. Change of Address/Firm. Contractor must advise OPDS promptly in writing of any changes to telephone numbers, e-mail addresses and business addresses. Any change of this type shall be accomplished by advising OPDS in writing and making the appropriate changes to Maricopa County Vendor Registration (see Exhibit 1).
- G. Weapons policy. No weapons, loaded or unloaded, props or real, are to be brought into the courthouse buildings. There are security lockers for storage of these items in the court buildings. Questions regarding this policy can be addressed to Court Administration at (602) 506-3070.
- H. Designation of Contract and Location. ~~The contract applications include a cover sheet for applicants to rank their preferences for each of the contract categories and locations.~~ Applicants may apply for more than one category of contract and more than one location, but no applicant is guaranteed an award of any, one, or multiple contract categories or a preferred location. If an applicant does not wish to be considered for one or more categories of the contract, the applicant shall clearly designate that category or those categories. Applicants should not designate willingness to provide services for any of the specialty categories of which they do not meet the minimum qualifications of this solicitation, at the time of submission.
