## Flood Control District of Maricopa County

### FLOODPLAIN USE PERMIT / CLEARANCE APPLICATION

#### Arizona Revised Statutes § 48-3644.

#### **Prohibited acts by district and employees; enforcement; notice**

- A. A district shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule, regulation, ordinance, executive order or delegation agreement. A general grant of authority does not constitute a basis for imposing a licensing requirement or condition unless the authority specifically authorizes the requirement or condition.
- B. Unless specifically authorized, a district shall avoid duplication of other laws or executive orders that do not enhance regulatory clarity and shall avoid dual permitting to the maximum extent practicable.
- C. This section does not prohibit district flexibility to issue licenses or adopt ordinances or regulations.
- D. A district shall not request or initiate discussions with a person about waiving that person's rights.
- E. This section may be enforced in a private civil action and relief may be awarded against the district. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the district for a violation of this section.
- F. A district employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the district's adopted personnel policy.
- G. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
- H. A district shall prominently print the provisions of subsections A, B, C, D, E, F and G of this section on all license applications.
- I. The licensing application may be in either print or electronic format.
