DUST CONTROL PERMIT APPLICATION - SECTION 1, APPLICATION

For Office Use Only

Permit Number: _____ Date Issued: _____

Application Submittal

Applications and payment may be submitted in person or mailed to Maricopa County Air Quality Department, 3800 N. Central Ave., Suite 1400, Phoenix, AZ 85012.

For a completed application, a Dust Control Permit Application (section 1) and a Dust Control Plan (section 2) will need to be submitted. Rule 310, Section 402 (dust control plan requirements) requires the submission of a dust control plan with your application. The Dust Control Plan is located at Maricopa.gov/1818.

No-Permit Violations: Did you receive a no-permit violation? If so, provide the permit number given to you by the inspector Yes No Permit Number: _____

Is this a re-application? If "Yes", provide previous permit number Yes No Permit Number: _____

Provide and e-mail address where we can send the permit: _____

A permit is valid for one year after the date of approval. You must re-apply for a permit more than 14 calendar days before the original permit expires. The re-application process may take up to 14 calendar days for review and processing (not including time for postal delivery) and must be approved prior to the expiration of the old permit.

Applicant Information

For all applicants, appropriate registration in the State of Arizona will be verified with the Arizona Corporation Commission or other applicable resources before a permit will be issued.

DUST CONTROL PERMIT APPLICATION - SECTION 1, APPLICATION

The Maricopa County Air Quality Department regulates all asbestos renovation and demolition within Maricopa County. An overview of Asbestos National Emission Standards for Hazardous Air Pollutants (NESHAP) requirements are available in the Asbestos NESHAP brochure at Maricopa.gov/DocumentCenter/View/5064.

15. Asbestos NESHAP Notification Requirements

Demolition: The wrecking or taking out of any load-supporting structural member of a facility together with any related handling operations or the intentional burning of a facility.

Renovation: Altering a facility or one or more facility components in any way, including the stripping or removal of regulated asbestos containing material (RACM) from a facility component.

15a. Does the project include demolition or renovation?

If "Yes", provide all requested information below. If "No", proceed to section 16.

Yes

No

15b. Description of demolition/renovation activities:

15c. Has the property ever been used as a ranch, farm, business or any other commercial or industrial purpose?

Yes

No

15d. Is there a guesthouse, more than one livable structure on the property, or is work being done in conjunction with another property in the area?

Yes

No

**If you answered "No" to both questions 15c and 15d, skip to section 16.
 If you answered "Yes" to either question 15c or 15d, proceed below.**

15e. Has an asbestos inspection been conducted by an AHERA certified building inspector within 12 months before any demolition/renovation activities?

Yes

No

15f. Has a 10-Day NESHAP notification form been submitted?

If "No", you may need to file a 10-day NESHAP notification form at Maricopa.gov/1701. For more information, contact the department at 602-506-6010.

Yes

No

15g. 10-Day NESHAP notification number: _____

For Office Use Only

Demolition notification number on file: _____
 Renovation notification number on file: _____

Approved by: _____
 Date approved: _____

DUST CONTROL PERMIT APPLICATION - SECTION 1, APPLICATION

Signature(s)

16. Certification by a Responsible Official of the Applicant

A Responsible Official of the Applicant is the person who will be contacted or named in any enforcement action initiated by the Maricopa County Air Quality Department or the Maricopa County Attorney's Office. Pursuant to Rule 310, Section 401.3, the signature on the Dust Control Permit Application shall constitute agreement to accept responsibility for meeting the conditions of the Dust Control Permit and for ensuring that control measures are implemented throughout the project site and during the duration of the project.

Arizona Revised Statute § 13-2704 makes it a criminal offense to knowingly make a false material statement to a public servant in connection with an application for any benefit, privilege, or license.

I hereby certify that, based on information and belief formed after reasonable inquiry, the statements and information in the Dust Control Permit Application, including Applicant Information, Project Information, and the Dust Control Plan, are true, accurate, and complete.

Notice of Regulatory Reform in accordance with A.R.S. §11-1604

- A. A county shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule, ordinance or delegation agreement. A general grant of authority does not constitute a basis for imposing a licensing requirement or condition unless the authority specifically authorizes the requirement or condition.
- B. Unless specifically authorized, a county shall avoid duplication of other laws that do not enhance regulatory clarity and shall avoid dual permitting to the maximum extent practicable.
- C. This section does not prohibit county flexibility to issue licenses or adopt ordinances or codes.
- D. A county shall not request or initiate discussions with a person about waiving that person's rights.
- E. This section may be enforced in a private civil action and relief may be awarded against a county. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against a county for a violation of this section.
- F. A county employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the county's adopted personnel policy.
- G. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
