

## Strategy Building Workshop

### Bridging Climate Change and Public Health

Strategy Building Workshop Agenda | November 19<sup>th</sup> | 11:00AM -12:30PM

---

#### Purpose of Meeting:

1. Reflect on the collectively created vision and mission statement developed in the visioning workshop.
  2. Explore various solution opportunities, including short-term & long-term solutions, which solutions should be prioritized and the solutions that would thrive in Maricopa County.
  3. Develop a roadmap to implement lasting solutions- including addressing how to overcome barriers, and support influential change.
- 

#### Agenda:

- Introduction
  - Review workshop logistics, objectives and structure
- Brief Review of Visioning Workshop Outcomes
  - Summary and recap of vision and mission statements
  - Revisit Key Vision Elements
- Breakout Session 1: Solution Opportunities
  - Share/discuss new and existing energy insecurity solutions
  - Share
- Breakout Session 2: Solution Roadmap
  - Collaborate to identify a solution timeline
  - Share
- Close-out & Final Remarks
  - Next Steps
  - Networking Opportunity

#### Pre-Workshop Materials:

Prior to the workshop, please take some time to familiarize yourself with existing energy insecurity solutions. The material linked below includes traditional energy insecurity solutions, human-centric solutions, newly developed programs and so on. These solutions are inspiring and highlight the importance of a community-based and multi-sectoral approach when addressing energy insecurity.
